FAQ

How much does the hunt cost?

Twist of Fate provides crossbows and hunting blinds, if you have your own hunting equipment you are welcome to bring it.

Are pets allowed?

Only service dogs are allowed.

When is the hunt?

It is the last full week of September. Thursday – Sunday.

Can I bring a family member/friend?

Yes, each hunter can bring a companion and that person can choose to sit in the blind or hang around camp if they would like. Each hunter is paired up with a guide so there is no need for the companion to go along on the hunt.

What facilities are available?

The hunters will be staying in tents. There is electricity in the tents for any needs the hunter may have. There is also a handicap shower and toilets in camp.

How can I volunteer?

Twist of Fate meetings are the 2nd Thursday of the month starting in April. Check the Events page on the web site for location or email us at twistoffatend@gmail.com for more information.

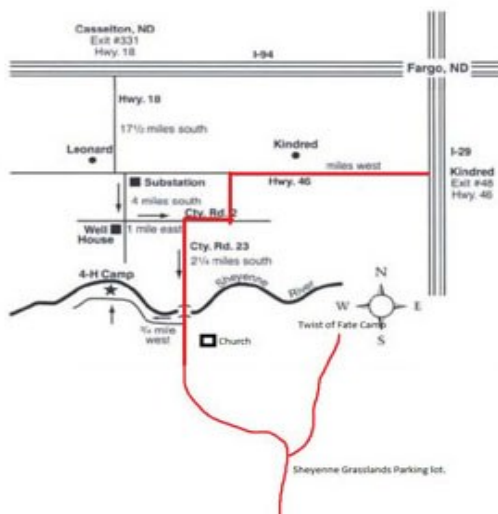

What kind of hunting experience do I need to have?

None, some of our hunters have never hunted before and there are targets available for practice and guides to give you training.

Do I need to be a hunter to volunteer?

No, there are several other opportunities to volunteer.

History

Twist of Fate was created by a group of dedicated sportsmen and archers in an effort to make the sport of archery more accessible to anyone with the desire to shoot a crossbow/bow and arrow, regardless of physical limitations.

Goal

To give the opportunity to someone who might not have the chance due to their circumstances.

Success

The purpose of the Twist of Fate Hunt is not to harvest the biggest deer but to have a quality experience you will cherish for a lifetime. Twist of Fate is NOT a trophy hunt.
